#### FORD OUTPUT FOR 1920 TO BE MILLION AND FOURTH

According to reports received fron. Detroit by local agents for the Ford car, the total production of the Ford plant for the current fiscal year will be about a million and a quarter passenger cars, if the average for the first seven months is kept up.

Despite this huge output, unpur-alieled in the history of motor car manufacture, the Ford company last month had 223,492 unfilled orders on its books. Ford also expects to build 150,000 trucks during this fis-

Those promoting the welfare of spiritual man have learned that to interest the world it is necessary to employ attractions which, even outside the aim, will at least make the people listen. Into such place has come John D. Rockefeller, Jr., heir to all the Rockefeller millions, now touring the 'country in the interests of the World Church Movement. That Rockefeller, Jr., is a sincere, forceful worker for the cause is conful worker for the cause is con-ceded by all. He is attracting great crowds.

## WOMAN'S VOICE IN G. O. P. MEET

Woman's voice was heard in the affairs of the Republican party when the national committee at Washington recently selected Chi-cago as the place for the 1920 presidential convention. Mary Garrick Hay, chairman of the executive committee of the woman's party, took an active part in the meeting.
